

3. Former Loaned Executive Quotes

"As a Loaned Executive, I was given the opportunity to interact with various Federal agencies. I met some great people and found that the average Federal employee does want to do his or her share in helping the community."

Christina Valdez,
Personnel Specialist
Ninth Circuit Court of Appeals

"The CFC Loaned Executive position allows you the opportunity to 'give back' something to the community and to do something for those who are not as well off as most, if not all, Federal employees. I found it to be a very rewarding assignment that allowed me to meet a number of interesting people."

**Richard Davega,
SBSE Territory Manager, IRS**

"It was rewarding and challenging for me. I learned a lot! It was great! I enjoyed working with all the agencies and spreading the word on CFC."

Jackie Garcia,
Supervisor,
Communications
Department,
Bankruptcy
Court

"During my three years as an LE, what motivated me to work my hardest was knowing that the extra money collected because of my efforts could help save lives. Although I was experienced in speaking to groups before being an LE, I found that the almost daily frequency and type of public speaking enhanced my skills. It was an enjoyable challenge to

- work with up to 50 agencies
- quickly identify their unique requirements
- provide what was needed for success, such as coordinator/keyworker training, account analysis, marketing ideas, campaign planning, and kick-off speeches,

during a very short time period. As a manager, I found it developmental to interact with agency heads and to observe them manage. "

Andrea Winkler,
CFC Regional Coordinator, Greater L.A. FEB
